The Federal appropriation for South Carolina for this year is \$1,400,000, but the State must meet it dollar for dollar. By so doing, approximately \$3,000,000 will be available in South Carolina this year for permanent road construction.

A levy of one mill will raise \$376,178.50; a levy of two mills will raise \$752,357.00; a levy of three mills will raise \$1,128,535.50.
